**Hey Parents! This week your child learned about the Parable of the Unmerciful Servant. Jesus taught this parable to help His followers understand that because God forgives us we should not withhold forgiveness from others. Review the following questions with your child this week to reinforce the idea that because we are forgiven, we should forgive others!**

- 1. Did the servant forgive the debt of his servant?**
- 2. Does God always forgive us?**
- 3. Does God want us to forgive others?**
