

God protected
Moses in a basket.

COLOred By:

on

Hey parents! This week we began our new series studying the life of Moses. There is so much we can learn from his story, even as a young boy! Ask your child the following questions this week to reinforce the importance of trusting God even when we feel out of control.

1. What does it mean to protect someone?
2. How did God protect Moses as a baby?
3. How does God protect you?
